M - Marie S- Hayley

## **Matters Arising**

## **Correspondence In**

Thank you letter for the chrome books that the PTA donated from the students of year 9 and 10  
Tiki wine selling fundraiser

Emails and discussions with Shannon from Farmlands sorting the catering for the Farmlands evening on 1st June.

## **Correspondence Out**

## **Treasurers Report**

## **Principals Report**

Everything in the school is ticking along well this year.

Nicola will be leaving to go on to maternity leave.

We have a person coming into the school to help all the students where English is their 2nd language and building the bridge between the the school and the all the cultures in the community.

## **Presidents Report**

## **General Business**

We are very busy working together with Shannon Woodwood from Farmlands for their evening the PTA are catering for on Friday 1st June.

We are catering for 400 people.

We will be serving for Entree a Antipasto Platter instead of finger food.

Main will be the same as last year.

We have changed the dessert to Finger Food Platters of petti fours etc.

Ann and the students will help by making the chicken dishes and some desserts. We will buy the rest of the desserts in.

The dishes this will be sent back rinsed but not washed which will save us a lot of work!

We have asked if there will be any teachers free during the day on Friday to help with doing the meat on the spit.

This year we have increased the lamb and chicken dishes.

The food will be ordered through Ann Thomas and we will go through the whole schedule of the night with her from serving to how many pots we need etc.  
During the day the PTA committee members Simon, Hayley, Vicky, Anna, and Rachel have offered their help.  
During the evening the PTA members Hayley, Vicky, and Anna have offered their help.  
Vicky can help with any prep and Vik and Jenny are a maybe at this stage.  
Marie and I are very grateful for their help.  
We have 6 students that have qualified in their sports which hopefully can help at the evening with their parents to go towards there fundraising. Students that won't help won't get money support for their trip.  
The money donated from Farmlands of \$3000.00 will go to the PTA and we will give the money to the students for their trip.

For the Calve and Lamb Scheme

The committee have decide to not hold the prize giving at the end of the year anymore because we now do not have the sponsorship from BNZ which they have brought all the alcohol for the evening. So to hold it now means we are using the money raised for alcohol which defeats the purpose. Also it's a very busy time of year for everyone.  
We have decided instead to advertise in every local newsletter and app all the winners. Also a huge thank you for all the people who have donated.  
A thank you will be given to Amuri Transport for the free cartage and Rural Lifestock for selling the lambs. We will advertise all the Lamb results and how much money we have raised from the sale of the lambs and who got 1st, 2nd and 3rd. Plus list all the people who donated.

We have the Rogaine which will be held 8th July at Lochiel Station along with Rotherham Home and Schools.

Advertising will go out on the noticeboard and Facebook. We need everyone to know on our advertising that they can go on the Rogaine website for any details they need.  
We will be asking for punckin soup and slices again.

Next Meeting : 28th May at 3.30pm

Meeting Closed : 4.27pm
